\* Judges at the tribunal's Pre-Trial Chamber [have decided](#) that Khieu Samphan's request for release from provisional detention is inadmissible.

\* Sources close to the court have said [six more potential defendants](#) have been identified at the tribunal. But some court observers worry government interference [may prevent the additional prosecutions](#) from moving forward.

\* Tribunal officials have finally finished drafting [detention rules](#) at the ECCC. è ½ è ½
