The Khmer Rouge Tribunal can be a daunting institution to understand, so I've created a guide that I hope will be of some help. [The Tribunal Glossary](#) will expand with time and I welcome your suggestions for important terms and people related to the tribunal that I might have missed.

Also, the [story in today's Post](#) about "Comrade Duch" by Georgia Wilkins and Neth Pheaktra features a timeline of major developments involving the ECCC. You may find this instructive as the court gears up for its first public trial hearing next week.
