

Technical difficulties

Written by

Saturday, 23 May 2009 03:00

I'm having some trouble with the paper's website right now, but as soon as the problem is resolved, I will post about Thursday's proceedings. Scholar Craig Etcheson was finally allowed to resume his testimony in the afternoon.

In the meantime, check out this [piece in the *Post*](#) about the court's latest warning to controversial defense lawyer Jacques Verges.
